PUBLIC COMMENT

The Board of Directors welcomes participation in Board meetings. The public may address matters under the jurisdiction of the Board that have not been posted in the Agenda. The public will be given the opportunity to address the Board on any item on the Agenda at this time or before the Board's consideration of that item. If members of the public desire to address the Board relative to a particular Agenda item at the time it is to be considered, they should so notify the Chair of the Board at this time. The Chair may limit the total amount of time allocated for public testimony on particular issues for each individual speaker.

POTENTIAL CONFLICTS OF INTERESTS

(Any Board member who has a potential conflict of interest may now identify the item and recuse himself from discussing and voting on the matter.) [FPPC § 87105.]
